We're in an economic meltdown of freakish proportions. We're all asking the same question, How can I survive the current crisis? Maybe you've lost your job-or fear it. Maybe you've watched your investments or paycheck shrink. Perhaps your business is way off. Or maybe you're okay, but still worry how it's all going to play out. This book will help you understand what is happening, how to get back on track, and offers more than 30 spiritual and practical strategies to not only survive but grow during this crisis. Read what two leading authorities have to say... I've never seen anything like we are seeing today.

There is no one better prepared to lead us than Pat Morley. He offers very practical answer to the questions that all of us are asking. You need to read this book to gain a proper perspective on what is really happening. Ron Blue, financial author and President, Kingdom Advisors.

I wholeheartedly endorse this book! If you-or someone you know-got caught o
