CAUTION: This is a Steamy LGBT Sports Romance that leaves VERY little to the imagination! On sale For A Limited Time With A Surprise Bonus Included! With his college football career coming to a close, Jackson is swimming with offers to go into the national level. Recruiters from multiple teams are coming up to him and asking for his commitment, but there is only one man that he wants to commit to; Carson DeLuca. He is the recruiter for the Seahawks, and a whole lot of handsome, alpha man. The two like each other immediately, but as they develop feelings for one another, Carson has to constantly remind Jackson that the fame lifestyle rarely allows monogamous relationships, and that the key to happiness would be an open relationship. For his sake, Jackson tries to keep his attitude about sex fast and loose like he's advised, but he soon realizes that if he wants to truly be happy, then he has to find a way to be in an exclusive relationship with his handsome recruiter. When an estranged lover brings an unexpected twist, Jackson has a lot of decisions to make. Can Jackson score the winning relationship with his recruiter or fumble it away by the sidelines? WARNING: Some bonuses contain mature themes and language and are intended for 18+ readers only.
