A happy and successful marriage is made up of many small actions and attitudes that nourish the relationship. These actions and attitudes can often be described as principles that are beneficial to the couple. In *Joined Together in Love: Forty-five Practical Principles to Make Your Marriage Work* the author describes these principles in concise, easily readable form. This short book contains no fluff, but goes straight to the heart of the matter with each principle. It's written in such a way that you can easily reference specific marriage principles that are most helpful to you. Marriage principles emphasizing such important issues as commitment, handling disagreements, improving communication, talking like friends, sexual relations, making it through rough times and many others are included. Those who want to improve their marriage relationship or are just about to get married will find the principles in *Joined Together in Love* insightful and memorable.
