A kiss. A promise. A mistake. Hollywood stuntman Ace had life changing decisions to make and time was running out. Bleakly, he saw a future of always being different, that was, until he met British beauty Nina Mae. Her enthusiasm for life was addictive. Rich, party girl, Nina Mae was in love. But a demand to come home early and a simple mistake, changed the course of both their lives. Would she ever get back to America? Or were they destined to be two people who met and enjoyed one unbelievable weekend, tied by the repercussions of those hours. Or was she simply his distraction?
