Brianna McKenzie worked hard to hide her past, but when she comes face-to-face with the gypsy at the opening of Eternity, her world turns upside down. Rafael Verratti and Lucian Carpino felt the connection as soon as they met Bree. But they know that convincing her isn't going to be easy. Luc and Rafe aren't the only ones who want Bree. The gypsy tries to steal her, and then a friend from her past calls to say that her father is missing. Bree decides that in order to protect the ones she cares about she'll have to confront her past and deal with her monsters. Rafe and Luc follow Bree to protect her but are furious and leave when she shares her dark secret.

It's then that she realizes her true feelings for them. Will Luc, Rafe, and Bree be able to accept the secrets and save themselves from curses, witches, and gypsy magic to spend Eternity together?
