All Sara ever wanted was a traditional marriage, with traditional values and roles. When she found Alex, she thought she'd hit the jackpot. That was, until he presents her with HIS idea of what those traditional roles should truly be. A true D/s domestic discipline marriage. Will she go ahead and marry him anyway? Or will his idea of what their marriage should be scare her away for good? \*\*\*Please note: This story was previously published under Stinging Proposal & Stinging Proposal 2
