THE GALAXY WAS A DANGEROUS PLACE FOR A DEFENDER OF THE REPUBLIC... ..

even before the start of the Clone Wars. For Jedi Knight Quinlan Vos--a mind-wiped amnesiac, a slave to the witches of Dathomir, and a spy for the Republic--the greatest peril came from the darkness, anger and doubt in his own heart. Along with the early adventures of Quinlan Vos and his fellow Jedi Aayla Secura (who went on to appear in both Attack of the Clones and Revenge of the Sith, this 500-plus-page volume includes 132 pages of previously uncollected stories that have not been seen in over a decade.
