Gay Paranormal Romance (MM Shifter Mpreg) (Gay Paranormal Romance Short Stories) Two Shifters. Forbidden desires. When Zebe's brother is killed while out fishing on a nearby river, it's no ordinary situation. Nothing about Zebe's life is common anyway, but it only gets more bizarre after a night of drowning his sorrows at the local bar, where he meets a handsome young biker named Blake. A bit intoxicated and throwing caution to the wind, he takes the hot young stud home with him. Disregarding his realization that Blake is with his oldest rivals, he gets lost in a fantastic night of debauchery. However, when their one-night stand turns into something neither of them had bargained for, their world and the world around them will be changed forever. Warning: This story is meant for a mature 18+ audience. This is a short story with m/f and m/m bonus stories and a spanish translation included.
