Meet Bertram Welles, vampire hunter. The first novel in the series is CULT OF THE NOSFERATU. Christmas in Manhattan. Tammy Greevly, a police cadet from Denver, travels to New York to find her brother and bring him home.

Fearing that he is the victim of a religious cult, Greevly uses her budding detective skills to track her younger sibling down.

Bertram Welles, who has been tracking a series of murders reported in the news and through his police contacts, and believing that they are connected to each other, soon crosses paths with Tammy Greevly. Welles is on his own, as he has given his agents off for the holidays, and so he must take Greevly into his world of secrets as together they investigate and infiltrate a CULT OF THE NOSFERATU.
