And luckily, the server where he is playing has the perfect spot for what he needs: a small and nice village inside a jungle. The players living in the village are in balance with nature, and the place is the perfect residence for Mark who just wants to live a peaceful life. But unexpected events take place in the village, and Mark is kicked out of the place without having a chance to defend himself. Angry with the villager's decision, Mark goes on a rampage and starts griefing and trolling the village.
