Even if superpowers were real — Benjamin still might not get his man. Benjamin and Spencer are spending the day at Comi-Con. Spencer is a comic geek and Benjamin would follow him anywhere. The only problem? Spencer thinks Benjamin is straight and Benjamin just realised he is in love with his best friend.

Is a day enough for Benjamin to convince Spencer that his love is more powerful than a locomotive and that it hit him faster than a speeding bullet? Tune in to find out if Benjamin saves the day.
