"IT SEEMS TO ME, LORD BLACKWOOD, YOU ARE IN THE CLUTCH OF A ROMANTIC VISION." The boldness that made Lord Matthew Blackwood an excellent soldier had readied him for his chosen baffle of the heart. Blissfully, no fight was necessary. Miss Serena Fitzwater surrendered quickly to this handsome stranger who captured her body and soul. A storybook courtship, a whirlwind marriage - then sadly, Matt was called back to the war. But the wounded hero who later returned was no longer the fairy-tale knight of Serena's first flush romance. This was a stranger. In truth, Serena, too, had changed. The naive young bride had blossomed. And now, the true battle of hearts would begin: for they must take the threads of yesterday and weave a new beginning....!
