Play smart. Play to win. Play like a champion. In *Winning Fantasy Baseball*, Larry Schechter discloses the secrets of his proven methods. Packed with commonsense, easy-to-use strategies for beginners through experienced players, Schechter supplies readers with a toolkit to achieve the most important thing in fantasy ball--winning! Some have called Schechter one of the best fantasy baseball players in the world. He is the only two-time winner of the CDM Sports national salary-cap challenge, having defeated 7,500 competitors in 2002 and 6,000 in 2005.

He is also a five-time winner of the renowned Tout Wars experts league and a member of the USA Today-sponsored League of Alternative Baseball Reality (LABR). Readers will learn directly from the champ everything they need to know about: - how to project player stats; - how to convert those stats into a specific value; - strategy for snake drafts, and mono-league and mixed auctions; - selecting teams using a salary cap; - playing in keeper leagues; - and performing in-season management. Although the book is primarily about fantasy baseball, many of the concepts also apply to fantasy football and other fantasy sports.
