For curvaceous beauty Day Jamison, life can't get any worse. She is broke, lonely and still grieving the death of her first love. When she encounters one of the owners for Atlanta's premiere upscale gentlemen's club, Club Risqué, he offers her a job that could drastically help to turn things around for her financially. Day never saw herself as an exotic dancer, but with few options and limited funds, she decides to take the offer. One night while dancing she sees a handsome man in the crowd named Knight. The initial attraction sparks a feeling inside of Day that she hasn't felt in a long time but she quickly brushes it off.

The last thing she needs right now is a guy adding to her already complicated life. Neverthe, Knight's charm is hard to resist. As she delves more into the club, she realizes that there is more than meets the eye than the exquisite décor. Something is not quite right about the infamous Club Risqué and the ruth co-owner Tony Mendoza only furthers her suspicions. Will her connection with Club Risqué improve her life or will it be the death of her?
