Clarence and Bryant thought an all expense trip to visit family in Wisconsin would offer a pleasant break from the doldrums of Arizona life. There was, however, a catch: Bryant's sister bought a room where you could supposedly see and speak to the dead. Assuming the entire thing is a hoax—sea monkeys for rich people—Bryant and Clarence travel east on their family's dime. A surprise awaits them. The room works as advertised, allowing the human eye access to the spirit world, and the ghost inside has a thing or two to teach them about the afterlife.
