Fifteen-year-old Pete Jenkins and his three summer friends return safely to their cottages following a dangerous escapade on nearby Mackinac Island. They soon learn that many boathouses in the exclusive Les Cheneaux Islands resort community of northern Michigan are being looted -- theirs included. Curiosity prevails and the teens investigate. Their sleuthing endeavors, however, are frequently interrupted by a wonderful array of social activities fishing, skiing, partying, and participating in a benefit basketball game. All the while, the escaped Mackinac Island murderer lurks in the shadows plotting a fiendish scheme of retribution!
