'Okay, okay. So stick my head in a holly bush.' Tuffy knows what he likes. And he doesn't like the 'art' that Ellie's mum brings home from her new classes. So what's a cat to do? A few scratches here just happen to shred a painting. A nudge there somehow slips a vase off a shelf. Dad hope a horribly lumpy clay pot will be next, but Tuffy's having none of it. The killer cat will go his own sweet way!
