[Siren Ménage Everlasting: Erotic Cowboy Ménage a Trois Romance, M/F/M, light bondage, spanking, sex toys, HEA] Devonne, a top LA runway model, is tired of the pressure and wants to retire. A chance charity fashion show, put on by the Callens, leads her to Intrigue, Wyoming. A room assignment snafu lands her at the home of Ian and Max Callen, hot twins who couldn't be more different. Sexy Ian is a playboy while hunky Max is Mr. Protector whose serious nature couldn't be farther from Ian's fun-loving self. When Devonne gets to know both men, she sees the essence of each one. She loves Ian's passion and adores Max's intellect and his need to care for his family. When Ian sets her body on fire, she knows she wants both men. Max is convinced his carefree brother will end up hurting Devonne, and he tries to set her free. What does she have to do to convince them to join her in a loving ménage relationship?
