Chapters 101-200 Ye Xiao, was a superior cultivator in his previous life. The three factions of the realm kill millions of people every time they attempt to seize cultivation resources.

Wealthy towns turn to wastelands in just a single night. They cover up their crime with assertion that the towns were suffering from pestilence and disasters. They forcibly hold all the resources for cultivation, monopolize all valuable practice materials, and keep outsiders from cultivating so that only their three factions could cultivate in the realm. Ye Xiao declared war against the three factions in retaliation of their actions. He fought alone and ended up dying in vain. However he is reborn into the mortal body of a 16 year-old boy. He will use the powers he cultivated in his last life and slaughter his way back into the Realm. The story begins!
