Enjoy the first book of the three-volume hot and steamy series "White, Dark And In Between" which follows the path of Lora Lee and Jake. from first encounter through the evolution of their relationship - from a booty call to something much deeper. Lora Lee's career is doing just fine, although she has to deal with artistic temperaments on a daily basis. Her personal life, however, trends from bland to difficult as she suffers a string of mishap. She's already reached the big forty and doesn't have much to show for it. She begins to believe the universe truly hates her when she repeatedly runs into a rude man who quickly becomes the focus of her dreams and the object of her fantasies during the day. Third time's the charm they say, and indeed, the third time Lora Lee runs into Jake he decides to take matters in his hands and show her that her life can change.
