Every Crooked Kingdom is a coming-of-age novel about the new beginnings of Wade Duke Larson, an intelligent and obnoxiously arrogant West Virginia boy desiring a life that would never be forgotten. Giving into peer-pressure, Wade's week will serves to change his life in ways he could never imagine. He was forced outside his comfort zone and away from the future of the perfect life he envisioned for himself. Wade and his friends make a slight detour to Las Vegas.

In the City of Sin he will stumble upon his real meaning, and one kingdom's collapse leads to heartbreak and a life that will never be the same.
