Meet six little handbag friends—Harry, Hopspot, Binky, Balloon-Bird, Semolina, and Loud Milly—as they go on an adventure, rescue lots of baby handbags from the horrible Clasp (move over Cruella De Vil), and find a new home inside Princess’s pink handbag. With warm, utterly charming illustrations by Sue Heap and the inimitable voice of Sally Lloyd-Jones, the Handbag Friends are set to take the children’s book world by storm!
