Dr. Andrew Rogers and his assistant Dr. Kathleen McGregor are renowned archeologists. In their many endeavors, they have made friends with key people around the world, but their high profile discoveries have dangerous ramifications. A host of thieves are hot on their trail, hoping to steal the valuable treasures. At the heart of those gangsters is the Vice President himself, who has called upon lowlifes to murder anyone who stands in his way. Now at stake is the lives of seven of Dr. Rogers most prized proteges who have just received their doctorate degrees. Unknown to him, the plan is to scatter his companions to isolated parts of the world. Next, they are to be eliminated so those valuable items can be taken from them.

Meanwhile, Julie has found the Treasures of the Nile in a most unlikely form.

But, what is she to do with it? Join us in a story of friendship, love, humor, and companionship. Animal lovers are sure to be entertained by Bobo, the monkey, as his charm comes to life in Treasures of the Nile.
