Dear Author, We met in the strangest way. I was convinced he was a girl because of his choice of character, and he thought the same thing about me. You can imagine how surprised we were when we first met in person. How confused I was about my feeling for him. I was already in love with the person behind the character, but I had never been attracted to a man before. Can you tell the story of how we became that happy couple in the picture? Photo Description: Two men, in their early twenties, lean towards each other for a kiss. Both smiling, they have their eyes shut. One boy has tousled hair, an earring and an upper ear piercing. He's wearing a bright turquoise T-shirt while the other has neater hair and is wearing a checked shirt. Their hands are held, and a gaming controller nestles between them. A computer screen with a game playing on it is visible in the background. This story was written as a part of the M/M Romance Group's "Love's Landscapes" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.
