****KINDLE UNLIMITED MEMBERS READ FOR FREE!**** ** Plus BONUS CHARACTER PROFILES with different fun facts in each book!** Handcuffs. Ties. Whips. This was not quite what I expected when I was hired at social media giant, So Me. But this has become part of my world since being brought on board by gorgeous founder and CEO, Russell Erikson. This billionaire is a man who demands attention with a simple look. He is the walking definition of testosterone. It is no wonder why every woman pines over him. His chiselled jawline, his seductive smile, his dreamy eyes, his intoxicating voice...he's sexy as hell and it's making me lose my mind. I'm completely consumed by him. I'm a slave to his every desire. He dominates me, punishes me, and has me begging for more. I crave him constantly. As humiliating as it is, I can't help but fall victim to his irresistible charm. I could have never imagined losing my virginity to a demanding, twisted, alpha male billionaire. He claims that he can never be tied down. But I'm in too deep now, and I'll be damned if I don't try. *A hot and steamy bad boy billionaire and virgin office romance, perfect for fans of Cassie Cross, J.S. Scott, Kelly Favor, Hannah Ford, and E L James* **Forbidden is a standalone novella length romance book with no cheating and a guaranteed HEA. Bonus content included for a limited time!**
