Who is Misha Bulgari? Does she seem a little bit familiar to you? Have you guessed who she really is yet? Well, whether or not you've spotted her true identity through the layers of disguises, the epic adventures continue! From the hysterical behaviour of her close-knit but food-obsessed family to the breakthrough moment when Misha's titanic weight-loss programme brings her to the attention of the media.

Right out of the blue, Misha lands in the limelight and follows her star to chase the elusive heights of fame and fortune. But the whirlwind campaign takes her far away from the love of her life, the beautiful and gentle Larry, whose fortune is also about to take him along a completely unexpected pathway, a road that leads him right to the rotten core of the Big Apple. Misha will have to face a set of completely unexpected challenges - her own as well as Larry's. And when Larry falls strangely silent and Misha's instinct screams that something must be wrong, she realises that there's no one else in the world to turn to for help.

Misha swings into action. It's a roller-coaster ride with love, laughter, tenderness and a fully-equipped Dominatrix outfit from an Internet supplier, all guaranteed to keep you guessing, giggling, gasping and smiling from start to finish.

That's right. She's feisty.

She's fabulous.

She's a whole lot of fun. She's the unique Misha Bulgari. Join her today on the her epic adventures in Tinsel Town. Twirling tassels included!
