[Siren Clasic ManLove: Erotic Alternative Consensual BDSM Romance, M/M, public exhibition, spanking, flogging, paddling, sex toys, HEA] After being a member of Club Esoteria, super submissive Toby Baer is about to give up. He's played with every dominant member of the club, been used as a living sex toy, but has yet to find a Dom to call his own. Then he meets Gavin Wells, Club Esoteria's newest dominant, at a most embarrassing moment. Gavin knows what he's looking for in a submissive partner. While he sees Toby has an amazing amount of potential, the know-it-all submissive needs someone to take him under command and remind him how a submissive is supposed to behave. Thankfully, he is just the man for the job. But jobs, injuries, miscommunications, and one bossy, interfering sister cause serious problems along the path to what could be a perfect Dom/sub relationship. Can Toby and Gavin find a common meeting ground? Or will outside influences derail their partnership before it can begin?
