After the death of her twin sister La'Rain, a part of Storm died too.

And after later learning that La'Rain's death wasn't an accident, Storm now must find out who her killer is. With the help of her business partner Lizzy and La'Rain's old crews, other painful secrets begin to surface. One-by-one, Storm begins taking down La'Rain's rivals in the quest to find the unanswered questions. Respect in the game is no longer given; it's taken. But will the once controlled drug game become more dangerous than Storm imagined? The city of New York will feel the wrath of Storm's Revenge
