Welcome to the crazy world of Obbleton!!! A place impossible to describe in a few words - or in hundreds of words, even! Enter and see for yourself! Enjoy your stay... * * * Ralph, an ordinary person to begin with, finds himself waking up on an empty bus (and with no driver, apparently) heading straight into the land of Obbleton. But what is Obbleton? And more importantly, where do the dreams go? So Ralph wanders from one strange adventure to the other in his quest to find the truth - and of course, try to escape! But Obbleton is a mad place - where anything, literally anything can happen, and soon the dream becomes real, and home becomes the dream, a dream that might be lost forever... Rich with count mad and remarkable characters, and with something random and strange going on in almost every sentence "Where do the Dreams go?" and the dreamland of Obbleton is most definitely the craziest place you will have ever seen. WARNING!! This book is tremendously mad and not for the fainthearted!
