Werebears and wolves don't mix. It's forbidden. So why does Katerina lust after the most desirable wolf in town? Plus-sized Katerina Headley is on a mission. Her boyfriend of two years dumped her because she was 'too fat' and now she is out to prove that real men do love curves. On a night out of fun, she attracts more than her share of trouble and the sexist wolf this side of the universe. Liam Greyson is the heir to a billionaire fortune. He also happens to be a gorgeous shape-shifter with a killer bod. When he runs into Katerina, he is smitten with desire for her lusty curves. There's just one problem; he has a mate. Due to an arraignment between his family and a powerful wolf clan, Liam must consummate his love for his mate on the next full moon. With his family's business on the line, will Liam find some way out of his predicament to claim the curvy Katerina as his own? His Forbidden Mate: Part One & Two is a werewolf/werebear/BBW romance. It is the first and second entry in His Forbidden Mate series. This series contains strong sexual themes and romance, and is not intended for readers under the age of 18.
