Years ago twelve year old Charlotte Lynn was a Blood Dreamer and had powers that many were envious of. She kept a journal of secrets, and suddenly, she vanished into thin air. Her journal disappeared as well. In present day, Matt Vaisley is the new Blood Dreamer at fourteen years old. He is struggling to control his new powers, do his school work, and not lose his cool with some of his more annoying classmates. Charlotte's journal, thought to be gone forever, suddenly ends up in Matt's hands. Now Matt and his friends are reading the journals and discovering the clues Charlotte had left behind. The journal takes them into other worlds among dragons, fire queens, and conspiracy bigger than they ever imagined.
