Tales from Indies is the first anthology published by Smashwords Forum Writers (SWF). This collection of eleven pieces, with an international flavor, includes short stories, an essay, and chapters from completed works with themes ranging from science-fiction, fantasy, historical retelling, to paranormal romance. Tales from Indies writers are: Bret Allen, John Chapman, Shelia Chapman, Șerban Valentin Constantin Enache, Julie Harris, Kell Inkston, Alan James, Ian Kotze, Jennifer R. Povey, Ria Stone, and Bonnie Turner. SWF writers are a diverse bunch. We have a global membership. Our genres run the gamut from children's picture eBooks to erotica, from historical fiction to science-fiction, fantasy, and romance. Nonfiction writers offer puzzle eBooks, how-to-books, satire, & more. SWF writers are new authors and long-time pros. Monies from sales goes to SPCA in Canada.
