This book highlights the need for religion and faith at a time when human beings live out their lives in abject states of fear, anxiety and misery as a result of the material outlook which dominates their lives.

This book presents ninety-nine of Allah's beautiful names. In defining these names, the author has relied on the verses of the Qur'an and the Traditions of the Prophet (Hadith) and, from these verses and traditions, she has deduced many meanings which make it possible for the reader to experience the glory and greatness of Allah, and to derive many other meanings from Allah's Beautiful Names.
